During the verification process, we have found conflicting information when comparing your (and/or Parents' or Spouse's) tax documents and your responses on the Free Application for Federal Student Aid.

Cash, savings and checking This field cannot be left blank. Please list the total balances of these accounts. If the balance is zero, please enter zero.

For the purposes of this worksheet, Net worth means current value minus current debt.

Investments include real estate (other than the home you live in), trust funds, money market funds, mutual funds, certificates of deposit, stocks, bonds, other securities, Education IRAs, installment and land sale contracts (including mortgages held), commodities, etc.

Business value includes the market value of land, buildings, machinery, equipment and inventory. Business debt means only those debts for which the business was used as collateral.

Table with 3 columns: Description, Student, Parent (Spouse). Rows include Current total balance of cash, savings and checking accounts; Current net worth of investments; Current net worth of business; Current net worth of investment farm.

*If you had taxable/non-taxable interest earnings from investments but those assets have now been sold, please indicate that in the space above titled "net worth of investments."
